### Please make cheques payable to Rob Salvati

Upon signing this contract, I agree to hire The Music Man DJ Service to provide entertainment for my social function. Once a deposit is received my event will be officially booked. All references to currency are Canadian currency only. In the event of cancellation, I understand that my deposit and rental fees paid are non-refundable. Cancellations by the applicant made within a week before the start time of my event still require full payment to The Music Man DJ Service. If paying in cash, the balance owing is due at the beginning of the social function. If paying by cheque, the balance owing is due a week before my event. An hourly charge of \$75 may come into effect for additional hours beyond 1am. I agree that any bounced cheques will result in a \$30 charge and payments not made in full by the date of my event including late fees, hourly fees past 1am and rentals will cost an additional \$20 per day late until the total is paid. The applicant also agrees to cover the costs of any court or legal fees incurred by The Music Man DJ Service where collection methods are necessary in the absence of receiving payment. This will only take effect 60 days past the date of the event. The DJ may choose to waive any fees at his discretion. PayPal service fees are also separate from the total owing.

Use of a table (preferably 6 ft. long) and 2 standard 110 volt outlets within 50 feet are required for the DJ to properly perform at my event. If an outlet cannot be provided for whatever reason, such as power outages, generator failures or electrical malfunctions, the DJ is not responsible for lost performance time and full payment is still due. Regarding outdoor events, an overhead shelter is required to protect the DJ's equipment from weather conditions. The DJ agrees to accept an indefinite amount of song requests at my event. The DJ is not responsible for anyone else's actions at my event or mishaps that lead to death or injury, slips, epileptic seizures, theft, criminal charges or property damage. The DJ reserves the right, in good faith, to stop or put the performance on hold should situations arise that could cause danger to the audience, himself, his equipment or other employees. Every effort will be made to continue the performance. However, safety is paramount in all decisions. The following factors have no bearing on the DJ receiving full payment: stopping or pausing performance for safety reasons, requests that are or are not played, acts of God or weather conditions. Information sent within a week prior to the date of the event cannot be guaranteed that it will be admissible. Regarding events occurring on residential property, the applicant agrees to cover costs of any tire damage done to vehicles of The Music Man DJ Service that has occurred on the date of the event due to foreign items on the ground on the premises of the residential property. Any additional parking fees or entry fees that the DJ incurs while providing DJ services must be covered by the applicant on top of the total fee unless these fees are waived or a parking voucher is provided. The DJ also has the right to void the contract if the client signature and deposit is not received within 10 days of the DJ's signing date. By signing below, I understand and accept all of these terms.
